Sub: Intimation of Commissioning and Commercialization of Greenfield Plant at Roha, Maharashtra

Dear Sir/Madam,

We are pleased to inform you that the Company has commenced stage-wise commissioning and commercialization of its 42,600 m³ per annum Greenfield Resin Manufacturing Plant at Roha, Maharashtra, with the successful commissioning of a 3,696 m³ capacity, effective September 30, 2025. The resins produced meet all quality parameters, and the Company is progressively commissioning the remaining capacities over the coming weeks, in accordance with established safety protocols.

This development marks a significant milestone in the Company's commitment to sustainable growth and Government of India's 'Make in India' initiative. It enables the Company to meet rising global market demand while minimizing environmental impact through state-of-the-art manufacturing processes.

This intimation is being made pursuant to Regulation 30 read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Kindly take this intimation on your records.

Thanking you,

Yours faithfully,

For Ion Exchange (India) Limited
